[Redacted for privacy]

Good Morning [Redacted for privacy],

My name is Daniel Falcucci, and I'm the Director of Business Development at Patent Asset Management. Our company is headed by Leigh Rothschild, a prolific and well known inventor, and we focus on enforcing the rights of U.S. patent holders. In 2015, our company entered into an Agreement with Valve Corporation, titled "Global Settlement and License Agreement."

We were happy to reach an agreement then, and I'd like to propose an opportunity to enter into a new agreement with PAM. Is this something you'd be interested in discussing? Our company has acquired a number of valuable patent assets in the past few years, and I'd be glad to present a list of our current inventory for Valve's review.

Attached, please find an introductory proposal and inventory catalog. Please let me know if you or someone at Valve would like to setup a time to met and talk more.

Best Regards,  
Daniel Falcucci Marquardt
